Polygon Pensions rebrands as part of the BWCI Group

Following the acquisition of Polygon Pension Trustees Limited by BWCI Group Limited in May of this year, Polygon Pension Trustees Limited has changed its name to BWCI Pension Trustees (Jersey) Limited with effect from 16 November 2026.

This is a change of company name and branding only and all pension arrangements will remain unchanged as a result of the name change.

The name change marks the latest stage in the full integration of Polygon Pensions into the BWCI Group.
