## BWCI Celebrates Long Service

2019 saw the number of staff in BWCI's "10 year club" reach a significant milestone, with the number of members reaching 50 for the first time.

The latest members to join the group were: Erin Bisson, who is an actuary and team leader in our actuarial pensions team; Daniel Guilbert who is an assistant manager in one of our major client teams; Jenny Martel, our first ever bursary student, who is now an assistant manager in our Blue Riband pensions administration team and Hannah Sarson who is a senior administrator, and plays a key role in our Insurance Administration team.

As well as marking 10 years' service, we also marked Margaret Boucher's 25 years' service with BWCI. Margaret is a qualified actuary and is a senior manager in our pensions administration team and a director of BWCI Pension Trustees Limited.

BWCI's Senior Partner, Stephen Ainsworth, presented the long service awards at a celebratory lunch for all of the 10 year club members and thanked each of them for their dedication and contribution to BWCI's continuing growth.
