BWCI Secures ISO Accreditation in Anniversary Year

BWCI are pleased to announce their certification of the International Organisation of Standardization under the ISO 9001 and 27001 standards by the British Assessment Bureau.

The standards recognise the business' attitude and approach to good quality and information security and provides demonstration of continuous improvement in these areas.

Having spent six months with a dedicated team working towards collating the data and streamlining the processes, the award comes in a timely fashion

to mark the end of BWCI's 40th anniversary celebrations.

Diana Simon, Managing Partner said "This certification marks the end of what has been a really exciting year for BWCI and a promising and bright future. It provides confidence and reassurance to new and existing clients and I would like to thank the whole team at BWCI for their professionalism and dedication which made the stage 2 audit to achieve certification relatively painless!"
