Charlie Forshaw

2025 Bursary Student

We are delighted to announce that Charlie Forshaw has been awarded BWCI's 2025 student bursary this year. Our bursary scheme, which has been operating for over 15 years, provides financial support throughout the student's undergraduate studies, as well as a minimum of eight weeks' practical work experience each year outside of university term time.

Charlie, who has completed A-Levels in Maths, Further Maths, Economics and Physics with Elizabeth College is hoping to study Mathematics and Statistics at University.

BWCI's Senior HR Manager, Alison Rimington, said "We were delighted to have so many excellent candidates for this years' bursary award and Charlie's outstanding academic achievements and passion for maths helped secure his placement with us. We very much look forward to supporting him throughout his academic career, not only financially but in also providing essential and relevant work experience to help him bring to life the skills required in a workplace following a period of academic study."
